

Commission and job cost plan (2025)

Sales commission is paid on gross job revenue at completion, band by band (marginal rates, not a single rate for the whole job). It is not clawed back if the job is later refunded.

Job revenue band	Sales commission rate
First \$1,000	5%
\$1,000 to \$3,000	8%
Above \$3,000	12%

Technician labour is costed at a burdened USD 48 per hour on the hours recorded in the job sheet.

Card and financing processing costs 2.9% of the payment plus USD 0.30 per payment and is not returned on refunds.

Materials are as recorded in the job sheet. Refunds and chargebacks are taken in full against the job's contribution.

Synthetic exercise document.
