

Automation platform pricing quotes (received Sep 2025)

Compiled by Ops from vendor emails and pricing pages. One plan is bought per platform for the whole renewal year (no mid-year plan changes). Billing and usage rules that apply to all three are in the contract summary.

Make (billed in EUR) - unit: operations per month

Plan allowance (ops/mo)	Monthly fee (EUR)	Overage (EUR per 1,000 ops)
250,000	1,320	6.30
500,000	2,440	5.60
1,000,000	4,400	4.90
2,000,000	7,690	4.20

Zapier (billed in USD) - unit: tasks per month

Plan allowance (tasks/mo)	Monthly-billing list price (USD)
100,000	1,500
200,000	2,750
300,000	4,000
500,000	6,000
750,000	8,250

Prices above are the month-to-month list price. Annual billing terms are in the contract summary.

n8n Cloud (billed in EUR) - unit: workflow executions per month

Plan allowance (executions/mo)	Monthly fee (EUR), annual prepay
50,000	880
100,000	1,560
250,000	3,160
500,000	5,560

Illustrative figures for an internal exercise; not actual vendor pricing.
